### Fourth Quarter Spiff Promotion

October 1, 2004

For the final quarter of 2004 we are offering a different program. This quarter, instead of presenting a specific product for the promotion, we are having a photo contest. We would like to see examples of how you, our Tempest Dealers, are presenting, promoting and demonstrating our products in the field. We would like to see our products in action! The photos will be judged by Tempest employees and awards will be given to the

first, second and third place winners!

#### What to submit:

Pictures of Tempest Power Blower or VentMaster saw demonstrations, live burns, training seminars, or anything you think is interesting or exciting with Tempest products involved. Judging will be based on content, subject matter, composition and overall interest. There is no limit to the amount of entries one dealer salesperson may submit. For additional information on the contest please email Paley Coffman at: [paleyc@tempest-edge.com](mailto:paleyc@tempest-edge.com).
